Pretty Good Rains On Part of Hamlin Territory

If there is anything that makes good reading in West Texas it is RAIN. We do wish the Herald could tell that a big general rain fell last Friday night but we can only say that late Friday afternoon a sizeable cloud gathered between Hamlin and Radium and in some spots there was a down-pour and from that on down to a sprinkle to none. The area in some sections east and northeast of Hamlin had big rains. Especially in the Flat Top community. E. C. Davis reported that between his house and some outbuildings a gully was washed that never before appeared. That would seem that he got the biggest rain in history. In the near Radium section it was about the same. It even rained enough to make "Dry Callie" run, but the strange thing about it is that the water was below the dam. Joe Holt has the "guy" on the fellows about the new lake. He told them all the time it was built too far up the creek. It looks like it was. Now down here in "flat Hamlin," we got perhaps about an inch of

rain. It made things look better, fresher, cleaner. Water stood a few days in most of the ditches on the street sides. Not quite long enough to start the hatching of mosquitoes. Besides it soon became too cool. Roy Wiar, Supt. of the Shell Pipe Line Station, nine miles north of Hamlin reports a three-quarter inch rain in his "yard," Saturday night or early Sunday morning. The wheat king, J. C. Farris, this side of the station got just enough rain to make him step a bit livelier. Some of the cotton farmers are boasting about having cotton up, and lots of them have feeds growing. Others are waiting for the ideal season, to plant, so that planting will also mean the killing of the first crop of weeds.

Wheat will not likely make much unless there is more rain and it has got to come pretty quickly.

Don't give up fellows, Dry Callie never failed to run so far back as the old timers and the Indians can remember.

At a meeting of Hamlin football lettermen, held Wednesday at the Hamlin High school, R. A. Dean, Q. B., was chosen captain for the 1940 Pied Pipers and Alvin Johnson, H. B., was elected co-captain.

Returning lettermen for the team are: R. A. Dean, Alvin Johnson, Bobby Barrow, Gailard Benham, Jack Ellison, Bobby Burns, R. M. Petty, W. A. Hamlin Girls Attended Rally of Texas Homemakers Group, Dallas

Tired but happy, representatives of the Hamlin Chapter of Future Homemakers of Texas returned home Sunday after attending the 21 annual meeting. It was a grand rally and each person enjoyed every minute of the time.

The rally opened officially Wednesday afternoon, April 24, at the Adolphus and Baker Hotels in Dallas.

Thursday morning, La Verne Johnson entered a contest on "Making Your Home More Livable." This was one of the two contests she entered. The other was the modeling of a school girl's costume. The contest Wanda Wilemon entered that morning was on "Safety in the Home," and that afternoon she modeled her general wear costume, and incidentally, won the honor of having her costume placed as "excellent" by the judges. This was an honor out of the 2047 girls who were at this meeting.

Thursday night was designated as Fun Night, with directors at each hotel from the physical education departments of the two colleges in Denton, with lobby singing later.

Friday was club day beginning with a general meeting at the Majestic Theatre at 8:30. Lois Gibbins, F. H. T. president, presided. The North Texas State Teachers College Stage Band under the direction of Floyd Graham played, and their last number was thoroughly enjoyed. Mr. Graham read "The Three Bears," while members of the band made the noises and sounds that portrayed the story. Platform guests were past officers and representatives from the 4-H clubs, Girl Scouts, J. L. Long School Homemakers Club, College Home Economics Clubs, Future Farmers of America, Girls Reserve, High School Form of the Civic Federation of Dallas, and the N. Y. A. John Hill, Jr., President State Student Council Association of Kilgore, gave the address on "Youth in a Democracy." Every minute was worthwhile. Sometimes it is amazing what high school students are capable of doing. The greatest thrill was Mrs. Grace Noll Crowell's reading of our own creed which she wrote.

A GIRL'S CREED

Written for Future Homemakers of Texas by Grace Noll Crowell, September 29, 1936.

"I believe that the home is woman's natural environment. I believe that there is as much art in making a barren house into a glistening home as there is in painting a picture or in writing a poem.

"I believe that there is dignity and beauty in service, that as a career for women, homemaking offers greater opportunity for leisure, for growth of mind and spirit, for exercise of the body, than any other occupation.

"I believe that one who has the intelligence to keep her own house in order is wise enough to be a force in any community.

"It is my desire to be one of the countless women of the world to make life sweeter and better because I live and do my work well."

Sectional meetings were held on Friday afternoon. Our club representative attended the House of Delegates section, and each of the others attended other groups.

Friday night the 21st Birthday Party was held in the Crystal Ballroom. Twenty-one years ago 49 attended the first meeting, so we celebrated with a huge tiered cake and recalled the happenings of the last 21 years.

Saturday morning the Texas State College for Women choir sang for us; Mr. Walter J. E. Schiebel, principal, Dallas Technical High School, gave greetings; new officers were installed; Miss Esther Sorenson directed a style show of winning costumes; and Dr. L. A. Woods made the grand awards.

We thoroughly enjoyed our stay in the Adolphus; the good meals we had; the coffee given by Titche Goettinger; the singing directed by our own State Director of music, Miss Nell Parmley; and dozens of other things.

We left our last meeting after Miss Parmley led the crowd in singing the lovely "Sing Your Way Home."

Our only regret is that all of our chapter members could not go.

INFORMATION ABOUT MUSIC WEEK

The first week in May has become known throughout the United States as Music Week, the first of which was held in Boise, Idaho, in 1919. Calvin Coolidge was the first honorary chairman of the centralized national movement. The movement has taken a particularly strong hold in Australia where two whole weeks are devoted to it and a very elaborate program is observed.

The President of the United States and the governors of fifty-two states and territories make up an honorary committee advocating the celebration of Music Week. Great stress is laid upon musical performance as well as listening to fine musical programs over the radio. Effort is being made by the state chairman to promote musical observance in schools, churches, libraries, museums, theatres, radio stations, women's clubs, etc. At all time the movement has had the fullest co-operation of the press.

MUSIC WEEK IN HAMLIN

The Schubert club has prepared and arranged several interesting programs for observance of Music Week. They include mainly the Artists' program on May 9th, a program sponsored by the Junior Music club when they present in recital piano pupils of the graduating class May 10th, and the sacred program on Sunday night, May 12, which will conclude Music Week.

F. F. A. MEMBERS DO CAPONIZING

The Hamlin FFA members have entered upon a new field of work in the past few weeks. This is caponizing. Some people will wonder what caponizing is. It is the desexing of young male chickens. These birds grow off faster and will reach a weight of four to six pounds heavier than a rooster when mature. A mature Jersey Giant rooster will weigh approximately twelve pounds whereas a Giant capon will weigh around sixteen to eighteen pounds. These capons have very delicious meat and will bring from four to six cents a pound more than top heavy hens.

It is said by experts that usually from five to ten per cent of these birds will die on the operating table. So far the Chapter Members have lost only two birds on the operating table out of approximately two hundred birds. Of course several birds have died from infection, caused from weather conditions.

If the people of the Hamlin community want some good fat and delicious birds for Thanksgiving and Christmas, just look up or call up the Hamlin Chapter and they will be glad to serve you. These birds are under good care and should be worth your while to try. The Chapter is anxious to establish a capon market in this community. Come, let's have co-operation.

METHODIST CHURCH

Rev. John W. Hendrix, Pastor

It threatened to shower last Sunday just as you were getting ready to come to Sunday school. It may be that little shower broke up, destroyed your most worthy resolve. Assuredly it did for some. But suppose you try it over at 9:45 A. M. next Sunday.

MORNING WORSHIP assembles a happy, expectant, worshipping crowd. In increasing numbers they assemble. The old ones in point of attendance keep coming and new ones join them. Every preparation will be made to make this another event of the week. You'll greatly enjoy the singing; you'll be inspired by the fellowship; will be re-inforced by the spirit of worship, and the sermon might not be hard to take. The theme will be, "Goin' the Slicker One Better." This will be an endeavor to explain a most difficult parable, to arrive at what Jesus had in mind. It goes right down the middle of main street as it is this very day.

EVENING WORSHIP comes on at 7:45 and is out within an hour. You can put that hour down on your schedule and be sure, to the very best of ability, it will be observed. The Big Sing will open this service and the pastor will deliver a sermon, using as subject, "Backin' Off From The Briar Patch. Did you ever hear tell of it?

LEAGUES, both intermediate and Young People, will meet in session at 7 P. M. These services are worthwhile; are studying some most interesting and important subjects. Try one of these.

Holy Communion will be administered at the morning hour. This is one of the best services of the month.

Man Will Be Tried For Abusing Wife

Friday evening at 8:30 o'clock, in Kangaroo Court, at the Swedonia School, a prominent citizen, Hubert Jackson, will go on trial for abusing his wife. Attorneys for prosecution will be Hooks Thompson and Tarleton Willingham. The defendant has employed as counsel Charley Belew, Spruill Dean and John White. The court will be presided over by Judge Richard Young. The Sheriff for the trial is Fred Hulsey, who assures all spectators that all entering will be searched for concealed weapons, even the women. This is because excitement has been running high for days—the community is much divided. This should entertain everyone.

Mrs. G. R. Bennett and little daughter, Patricia Lee, went to Toyah Saturday to visit her sister and to meet her mother, Mrs. M. V. McElhaney, of Ventura, Calif., who returned with them for a month's visit. Miss Ella Temple accompanied them as far as Odessa where she visited Mrs. E. Clyde Smith.

Senior Class Seeing Carlsbad Caverns

The senior class of Hamlin High School left Thursday morning for Carlsbad, New Mexico, for the annual three-day trip. The high-light of the outing will be the visit to the famous Carlsbad Caverns. Other places of interest will be included.

The group of sixty seniors, traveling in two school buses, include: Marne R. Barton, Morris Bessire, Henry Brady, Lester Brooks, Charles Brown, J. W. Brown, L. B. Bruner, Alton Cowley, Horace Crow, Tollie Fudge, Robbie Gill, Thurston Havens, Frank Hillier, Gerald Ivy, Jack Miller, Rufie Neal, Melvin Neill, James Nicholson, Bunyan Payne, Garlon Preston, Teddy Russell, Leonard Sowell, Paul Steed, Vesta Townley, Jack Vaughan, Elvis Wallace, J. E. Walton, Stanley Wilson, Bob Jack Low, Payne Rucker, Hazel Adkins, Anita Anderson, Evelyn Bowman, Maxine Brundage, Winifred Carr, Joy Carroll, Myrtle Doby, Dorothy F. Elkins, Wanda Fancher, La Verne Green, Velta Griffin, Tommie Nell Holman, Doris and Dorothy Hudson, Anne Lasseter, Florine Morgan, Amber Preston, Juanita Riddle, Verna Mae Sipe, Florence Smith, Bobbie Stephens, Vada Taylor, Peggy Jane Teague, Charlene Turner, Mignon Waggoner, Maxine Watson, Wanda Wilemon, Jean Young, Mildred Fields and Grace Johnson.

Sponsors of the group are Miss Doris Pope, Mr. Frank Lawlis, Mr. J. Ubben, Mrs. M. Y. Wilson, and Mr. and Mrs. Tom Holman. Bus drivers are Mr. John Coles and Mr. J. A. Branscum.

The group arrived at Carlsbad Thursday night and spent the night in White's City. Friday, they will go through the Caverns, returning to Carlsbad to spend Friday night at Lake View Courts. They will leave Carlsbad Saturday morning at 8:00 o'clock and will arrive in Hamlin about 7:30 P. M.

Sweetwater has won a long string of compliments for the way she has handled a big Rotary convention there this week. It would make a long story to tell all about the many unusual features of the programs, the entertainments and the hospitality shown every visitor. Sweetwater has many assets for entertaining, for playing host to conventions in keeping with her size. Rotary ideals were advanced in almost a missionary fashion there this week. The big Finn from Helsinki, Finland, and the Rotary representative, Mr. Tiffany from New Jersey were the chief speakers.

Card Of Thanks

I am deeply grateful to my many friends who urged Mr. Garrett not to remove me as postmaster. I needed the office badly, and I shall ever remember their kindness, and appreciate their efforts.

I would have been reappointed had it not been for Mr. Garrett's determination to put me out, as the selection of postmasters is still solely in the hands of the congressman. The law has not been changed in this respect. Had Mr. Garrett been willing for me to remain, all he had to do was not to call for an examination, just as he has done at Abilene, Cisco, Albany, Baird, Putnam and other places, and I would have been automatically reappointed by the Department, as under the regulations my age does not disqualify me.

In his campaign, Mr. Garrett promised the people that he would hold elections and allow all of the patrons of the office in each place to vote in selecting their own postmaster. He changed his mind. He held such an election in Rising Star as soon as he took office in January, 1937, and the postmaster in office there received about two-thirds of all the votes cast, and Mr. Garrett has not held a single election since, but has refused to allow the patrons of the office anywhere else to vote on selecting their postmaster.

Mr. Garrett is not willing to let merit decide the matter. In Sweetwater the postmistress there made the highest grade of 91.80 on the Civil Service examination, and the next highest was a friend of Mr. Garrett's who made only 76, to which 10 points were given for army service, totalling 86, yet Mr. Garrett put her out, and put in his friend. Where the one Mr. Garrett prefers doesn't get on the eligible list on the first examination, Mr. Garrett can have it voided, and have a second examination held. Thus politics still control it. I am the widowed mother of a deceased World War Veteran, and most of the Stamford business men and patrons of the postoffice urged Mr. Garrett not to take my job away from me. With deepest gratitude I again thank all my friends for their efforts in trying to persuade Mr. Garrett not to put me out.

Miss Mary Phillips And Roy Miers Married In Dumas

Miss Mary Phillips, daughter of Mr. and Mrs. J. C. Phillips of Dumas, and Roy Miers, son of Mr. and Mrs. S. E. Miers, of McCaulley, were married Sunday morning, April 21, at 9:30 o'clock at the home of the bride's parents in Dumas. The ring ceremony was read by Rev. P. H. Gates, pastor of the Dumas Methodist church, before an altar of palms lighted with white candles, with tall baskets of white and pink gladiolus at either side. Pink and white flowers formed the decorations throughout the house.

The bride, who was given in marriage by her father, wore a dress of white satin with sweetheart neck and full skirt with short train. Her veil of white illusion was fastened with a halo of orange blossoms. She carried a shower bouquet of bride's roses.

Her only attendant, Miss Catherine Spencer, of Dumas, wore a dress

of white chiffon, with white hat and carried tallman roses.

The groom's attendant was Richard Jay, of Crosbyton.

Preceding the ceremony, Mrs. C. E. Beene played Liebestraume by Liszt. She also accompanied Martha Ann Ansley who sang "Because," and during the ceremony she played "Indian Love Call."

Following the ceremony a reception was held. The dining table, artistically arranged with white stock and pink carnations, was centered with a three tiered white wedding cake topped with a miniature bride and groom.

For traveling, the bride wore a dusty rose frock with a navy fitted coat with dusty rose and navy accessories and an orchid corsage.

**HE STARTED
AS A "GRUNT"**

**and helped develop
a great telephone system
for Texas**

FORTY YEARS AGO this man was a grunt* . . . a telephone lineman's helper. His eyes have seen a miracle . . . the development of the Bell telephone system that today serves nearly 350,000 Texas telephones. His hands helped make the miracle come true.

When he was "breaking in," there were less than 25,000 Bell telephones in Texas. Based on present standards, the service then was slow and not very dependable or clear. Sometimes it took hours to complete a long distance call.

Today, from the sidelines, this old-timer watches with keen delight as 8,500 Texas telephone workers carry on. The job is bigger now, but the goal is still the same . . . to furnish Texas with the best telephone service possible, at the lowest cost to the user.

*Probably so called because he did the heavy lifting for the lineman on the pole.

Way "Build-up" Helps Will Interest Women

The cause of a woman's periodic suffering from headache, irritability, cramp-like pain, may be functional dysmenorrhea due to malnutrition, a condition that is often helped by CARDUI.

Principal way CARDUI helps is by stimulating appetite and the flow of gastric juices. Thus it may aid digestion; help build up a woman's strength, energy and nerve-force; so increase physical resistance to periodic discomfort.

It also helps reduce periodic distress for many who take it a few days before and during "the time." Your confidence in CARDUI is invited by its 50 years of popularity.
